9th NKF ANNUAL DIALYSIS MEETING 2011

“Recent Advances in Dialysis”

12th – 13th November
Renaissance Kuala Lumpur Hotel

MESSAGE

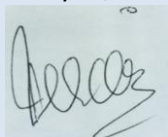

Dear Colleagues and Friends,

On behalf of the NKF Training Committee, it gives us great pleasure to invite you to the 9th NKF-ADM. The theme this year is "Recent Advances in Dialysis". We have included new and exciting advancement in the wholesome treatment of End Stage Renal Disease patients; expanding horizon into peritoneal dialysis, transplantation and specialised haemodialysis techniques.

Hopefully, you will be enchanted and enlightened by the scientific programme on offer as well as spending time catching up with colleagues and friends throughout the country; sharing experiences, exchanging ideas, which will only unite us all towards a common aim: achieving excellence in caring for our patients.

We are very honoured to welcome you to 9th NKF-ADM meeting!

Thank you,

Dr. Rafidah Abdullah
Scientific Committee Chairperson
