

## **NKF CHILDREN WELFARE FUND (EDUCATION)**

The objective of this Fund is to provide financial assistance to the school-going children of NKF patients who need to pay school expenses at the beginning of the year. NKF received a sum of RM125,000 from Tupperware (High Hopes Enterprise) when it launched the promotion of the 'Gift of Life' Charity Drive to raise funds for the NKF Children Welfare Fund.

For every sale of RM50 worth of Tupperware containers, Tupperware would donate RM1 to the NKF Children Welfare Fund.
